

2KC

In 2KC this term the children have been working on Instruction writing in their literacy lessons. First they read or listened to instructions to make animal faces, then they gave instructions to each other to make different animal faces.

2NBu

In 2NBu this term the children have been looking at wild weather. As part of the work they made solar ovens from pizza boxes and rain gauge from a bottle

3HI

As part of the work in Literacy and the adventure and mystery unit 3HI have had mystery boxes appearing in the classroom. The pupils have been putting together a list of suspects and working to try and solve the mystery

3JBu

In 3JBu the pupils have been exploring countries in the commonwealth as part of the commonwealth day. They made headdresses, flags and explored the dancing. They have also been exploring floating and sinking in science

3- 13 Newsletter

We had fantastic fun on red nose day! What an excellent selfie from some of the pupils in 2SBu.

Thank you for all your contributions.

3KBo

In 3KBo as part of commonwealth day the pupils looked at the country of Cyprus and had a Greek Meze. They tried some different food such as olives, halloumi cheese and even squid! They also learnt some of the language and listened to music from Cyprus.

3JR

In 3JR in science they have been exploring solids, liquids and gases. They have been looking at separating solids from liquids. Here the pupils are separating sugar and water.

3TC

The pupils in 3TC have been busy this term in DT making hand puppets. They have worked hard to design them first and then sew their puppets together. In horticulture they have been exploring flowers and making flower arrangements.

2SBu

2SBu had a visit from the Gruffalo as part of world book day! The pupils really enjoyed meeting the Gruffalo and exploring his terrible teeth and purple spikes!

World Book day

As part of World book day this year we chose two of Oliver Jeffer's books. The primary department explored his story lost and found and the secondary looked at his book Stuck.

The pupils enjoyed using the different areas around the school. We set up a sensory space in the hall with different scenes from lost and found and the library was set up with a scene from stuck. The pupils really enjoyed exploring what had got stuck in our tree!
