

Sports Premium at Billing Brook School

April 2014 – March 2015

Intended Use of Sports Premium Monies 2014 – 2015 at Billing Brook School.

Allocation of Monies to Billing Brook: £ 8,225 for the full year of which £5000 is to be spent by 31.03.15.

Targeted number: 45 primary aged pupils

- 1. Additional Hydro Pool activities for targeted pupils to improve their physical well being and access to water activities.**

Activities

After the success of the additional water opportunities, including the use of the hydro pool, further develop access to additional swimming and hydro pool activities off site to encourage pupils enjoyment in the water and to learn key skills associated with swimming and support the motor skills and physic development for targeted pupils.

Potential Impact:

The improvement of individual pupils physical well being linked to additional access to warm water activities.

Allocation: £ 1,500

- 2. To increase the access for all primary aged pupils to swimming activities locally, including access for the primary satellite provision (in Daventry).**

Allocation: £ 2,500

Allocation: £ 750.00 – Daventry pool access summer term

Building on the success of the increase of additional swimming, the intention is to improve further access for all primary pupils. The school intends to purchase additional swimming time, with instructor and access to the local swimming pool for primary aged pupils.

Target groups:

- Primary ASD pupils – additional swimming session each week
- Year 2 & 3 Weekly swimming
- More regular access for Years 4, 5 & 6 to swimming
- Early years; reception family swim – once a term.
- Daventry Satellite – swimming access Summer term (once a week) locally; then weekly on the school rota at Lings.

Potential Impact:

Continued additional access to swimming improves healthy lifestyle opportunities and the development of confidence and skills relating to water activities.

3. Additional lunch time clubs, to encourage and engage pupils in sports activities – lead by sports instructor.

Allocation £ 755.00

Target group: 10 – 15 primary aged pupils

Monday; Tuesday; Wednesday and Friday: Target group of 10 – 15 pupils. (This is matched funded, as secondary aged pupils also take part in clubs.) Activities include – Football; basketball; Boccia; circuit activities. Focus on team games and working together.

Potential Impact:

Pupils enjoy lunch times more; work together as a team, which impacts in the classroom; have the opportunity to develop specific sport related skills, which improves self confidence.

4. Purchase of additional equipment to enhance primary PE programme and outside activities – particularly at The Grange satellite.

Allocation: £ 1,500

Target group: Access for all key stage 1 & 2 pupils. Recognising that not all pupils wish to take part in lunch time sports club activities – alternative activities will be developed throughout the year, as well as a continuation of the current (very successful) lunchtime sports clubs. Purchase of Xbox2 to encourage dance and physical activity to be purchased to encourage “alternative” physical activity (dance; x box ;tennis etc)

Potential Impact:

More lunchtime physical activities for pupils within this age range.

5. Sports Instructor and Working with other schools Allocation: £2,000

The continuation of the very successful sports partnership with our colleagues in other schools, established by the Sports Instructor to enable our pupils to join in cross school activities; access to local sports events and to take part in a cross county special school para sports event.

Target group: All primary aged pupils at some point in the school year.

Potential Impact:

Access to working with other pupils outside of Billing Brook; Potentially the development of access to different sports; the opportunity to take part for a small number of pupils in a cross county para sports event in June 2014, leading to involvement with Stoke Mandeville para games; local football and tag rugby sessions (Spring 2015); rowing sessions
