Dear Candidate

Thank you for your interest in the position of **Speech & Language Therapist** at Billing Brook School, which has become available due to the promotion of the existing post holder.

We are looking to appoint a therapist who may be new to the profession but would like to work with complex needs children.

The position is offered on a two year fixed term contract, directly linked to our funding, however we anticipate that this will change and we are able to convert this to a permanent post in the future.

You will see that we intend to appoint on the first point of Band 5 of the professional scale, however this will be discussed at interview and should not deter more experienced therapists from applying, as a Band 6 permanent position may be available.

If you are interested in applying, please complete the School Application form (CV's are not acceptable in our setting); and send a covering letter as to why you feel you are suitable for the post and email back to myself on head@billing.northants-ecl.gov.uk

Sue Mabbutt our Senior Therapist, would be happy to speak with you about the position and answer any questions you may have. She can be contacted on 01604 773910.

I look forward to hearing from you and Thank You for your interest.

Yours,

C.M.Grant
